## B. H. S. PROGRESS

*On the pages that follow  
the Senior Class of Batesville,  
Indiana, will try to illustrate the progress  
made from*

1852

to

1952

in

BATESVILLE

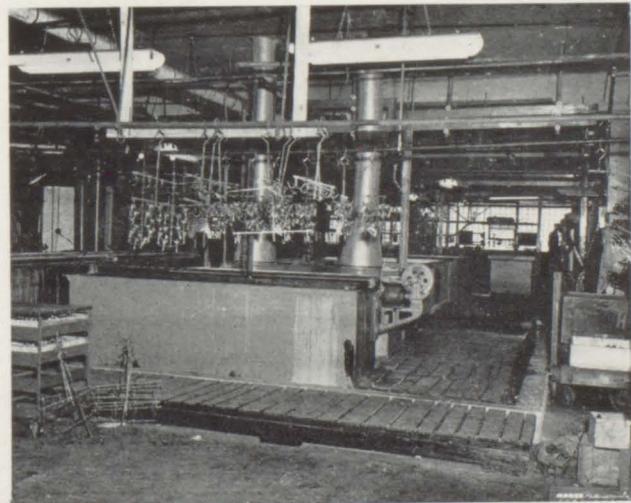

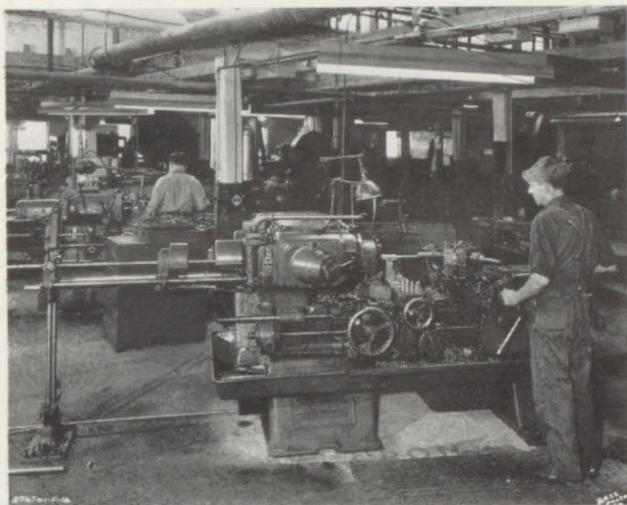

INDIANA

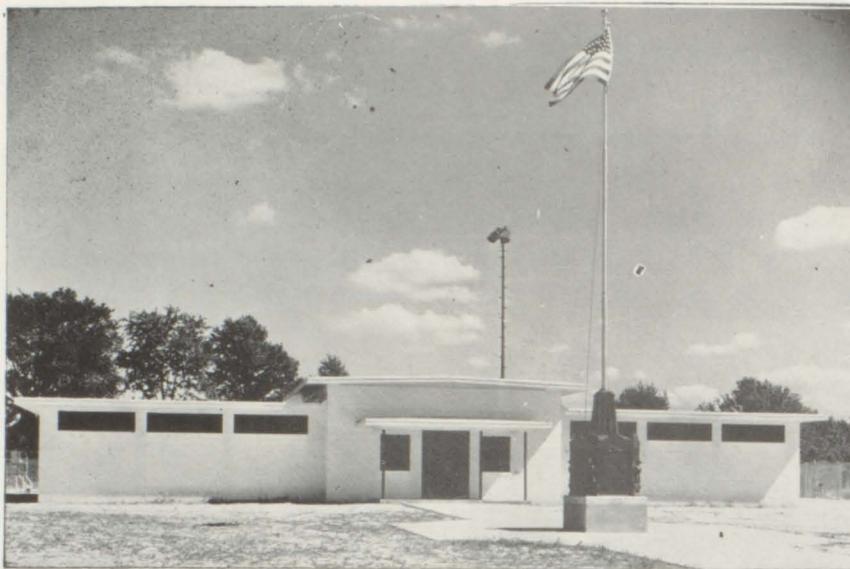

Few people ever stop to think of the progress made in a community over a 100-year period. Progress is comparatively slow and we are only vaguely aware of it. The best way to get a clear picture of progress is to look back and then compare what we have now to what people had then.

Let us look at what we have now and then try to imagine what our ancestors had in 1852. The pictures on the following pages will show us what we have today. Let us try to imagine what our forefathers had 100 years ago by asking ourselves the following questions.

## Were Factories As Modern, And As Well Equipped In 1852 As They Are Today???

No . . . Today the men have many kinds of modern equipment available to help them do a better, quicker, and more efficient job. The machines are safer. Good lighting prevents eyestrain. The working hours are no longer from sunup until sundown as they were in 1852. In this, as in many phases of community life, progress has been made.

## Was The Ol' Swimmin' Hole As Safe And As Sanitary As Our Modern Pool???

The facilities for swimming have been greatly improved since 1852. People no longer need to go to a secluded pond in the country to enjoy swimming. The pool is also much more sanitary than the ol' swimmin' hole, because the water is being changed constantly and chemicals are added to kill harmful bacteria. Our ancestors of 1852 would have been quite thrilled if they had had a pool like ours.

## The 1952 Progress Staff

Publishing a year book sounds like a lot of fun. It is fun at times, but the largest part of it is hard work that takes a lot of time, planning, and patience. There is much more to putting out an annual than just taking pictures. Each picture has to be identified, every businessman has to be asked for an ad, covers have to be designed, and there are many deadlines to be met. The best part about being on the yearbook staff is when the book is finally finished, you can sit back and see what you have accomplished.

## CLASS HISTORY

We the Seniors of B.H.S. stroll along Memory Lane. On both sides of the lane happy memories, of days gone by, are silently stealing by us. As we look back over the past four years we hear the voice of

1949

### FRESHMEN — BATESVILLE HIGH

This brings to memory our first days of high school when we stormed the halls of B.H.S. 84 strong. Teachers, classes, and the high school in general soon adjusted itself to us. We held our first class meeting and elected Danny Kile, president; Mary Simmermeyer, vice-president; Audrey Doyle, secretary; and Louie Enzinger, treasurer. Sponsor, Miss Wonning.

Our first class party was held in the gym under the direction of Miss Wonning. We had a lot of fun playing games and eating refreshments.

The Valentine program was given by the freshmen, and we presented "The Queen of Hearts." Continuing along Memory Lane we hear the voice of

1950

### SOPHOMORES — BATESVILLE HIGH

Another year slips by us on Memory Lane, and we catch a glimpse of new leaders and new sponsors (no, we didn't wear the old ones out). Danny Kile, president; Bob Bush, vice-president; Bertha Dwenger, secretary-treasurer. And our class sponsors were Mr. Gardner and Miss Lisman.

Our class party was held at the portable skating rink east of town.

ZOOM! What was that? Oh just the Biology Class off to a week-end of fun and learning in Chicago—a never-to-be-forgotten milestone along Memory Lane.

Jean Hammerle had the honor of taking part in the State Latin Contest.

As the months fly by us on Memory Lane, we hear again the voice of

1951

## JUNIORS — BATESVILLE HIGH

The elections this year honored again Danny Kile, president; Milt Baas, vice-president; Jeanette Niedenthal, secretary, and Bertha Dwenger, treasurer. Our sponsors this year, Mr. Gardner and Joan Brown.

Our first class party was held at the Harrison Skating Rink with fun and refreshments for all.

This was our "Seventeenth Summer". Al Boyer directed us to success with our Junior play presented December 7, at the Memorial Building.

Another important event was the Junior-Senior Prom, on May 23, in the Memorial Gym. Our theme was an Underwater Scene. Judy Perkins, Shirley Lee, and a talented magician from WLW- provided our entertainment. At eleven o'clock a shower of balloons and confetti was cut loose from the ceiling of crepe-paper water.

The last event of our Junior year was on May 24. We went to Clifty Falls for our class party by way of Trailway bus lines. Everyone had a wonderful time and came home tired but happy in time for the All-School Dance that evening.

For the last short way down Memory Lane we hear the voice of

1952

## SENIORS — BATESVILLE HIGH

Our class meetings and elections began our last year in B.H.S. Dan Kile was elected president, Milt Baas, vice-president; Gloria Ferkenhoff, secretary; and Bertha Dwenger, treasurer. Mr. Gardner, assisted by Mr. Frushour was our sponsor.

September 19, we had our initiation and party for the freshmen. Volly ball provided our entertainment and refreshments were served later in the high school gym.

September 19, Mary Simmermeyer brought home honors from Versailles by being elected Queen of the Pumpkin Show.

October 6, we chartered a bus to Bloomington and attended the Indiana-Pittsburgh football game.

April 25 and 27, the Seniors presented "Marcheta" in the Memorial Building. Al Boyer again directed us to success.

Our big event this year was being honored by the Juniors at the Junior-Senior Prom—On May 15, it was held at the Memorial Gym. The All-School Dance followed on May 16, and they both were wonderful nights to remember always.

The final steps along Memory Lane brings us past May 18, when we had our Baccalaureate and May 23, when Memory Lane ends and FUTURE begins, Graduation.

I, Jerry Fasbinder, will my chewing gum to anybody with good choppers.

I, Ruth Federle, will my quiet way to Dotty Seevers, who doesn't need them.

I, Gloria Ferkenhoff, will my ability of getting kicked out of the library to an unsuspecting freshman.

I, George Fields, will Spanish Dickman a dress of the latest style from Paris.

I, Betty Ann Firsich, will my ability to get along with the teachers to Kenny Dickman.

I, Stella Gausman, will my place in band to whomever wants it.

I, Ralph Gillman, will the great ambition of Mr. Frushour to make me head of the Physics class to the president of the following Senior class.

I, Roberta Green, will my height to Mary Wietlisbach.

I, Wanda Schutte, will my loud mouth to Nancy Siebert who really doesn't need it.

I, Ronald Shook, will to Ronald Lloyd my art talent with which he will surely become another Rembrandt.

I, Joy Side'l, will my excess pencils and paper to an up-an-coming Junior for Civic class.

I, Mary Simmermeyer, will my happy memories of B.H.S. to the Seniors of '53.

I, Sally Smith, will my safe driving ability to Barb Beihl.

I, Sally Stapley, will hinges for the mouths of all the gossips in B.H.S.

I, Nick Stewart, will my motor scooter to some up and coming wreckless youth.

I, Pat Tekulve, will my quiet way to Margaret Richards.

I, Irvin Thie, will Mr. Brokamp to the Senior class of next year.

I, Marceda Volk, will my love for sports to Elaine Wallpe .

I, Pat Volz, will my cultivated laugh to Mr. Gehring.

I, Bernice Wagner, will my ability not to be afraid of mice to Miss Davis.

I, Pauline Wenning, will my love of mustaches to the 1952 Centennial.

## Chemistry

The students making compounds and working on formulas are: Luella Schrader, Betty Houston, Margie Dieckman, Audrey Doyle, Irma Linda Schrader, Sally Stapley, Ronald Shook, Milt Baas, Dan Kile, Irvin Thie, Bob Bush, Carroll Liskey, Ralph Gillman, Gloria Ferkenhoff, Leon Huneke, and "Doc" Hamblin (instructor).

## Physics

Studying the composition of various metals under the supervision of Mr. Frushour are: Ralph Gillman, Bob Nickel, Alfred Hartman, Louis Enzinger, Paul Raab, Pete Wintz, Allen Walke, Barb Beihl, Jerry Fasbinder, Nancy Broerman, John Moody, Roman Nobbe, and "Ace" Moorman.

## HOME ECONOMICS

Busily sewing on various projects are: Rose Marie Erhardt, Betty Firsich, Mareda Volk, Bernice Wagner, Wanda Schutte, Ruth Federle, Evelyn Emsweller, Helen Brunsman, Pat Volz, Joy Becker, Margie Dieckman, Jo Ann Rogers. Home Ec. girls also learn to cook, plan meals, and receive training in textiles, child care, and home decorations.

...to begin

## SHOP

Mr. Finger teaches Lloyd Blair, Bill Nickel, Elmer Jansing, John Becker, Dick Gibson, Bob Erne, Bob Kelley, Dan Duvelius, Charles Holtel, and Don Hildebrand, the fundamentals of shop.

CONNOISSEURS

Bookkeeping is a lot of work but a lot of fun too. The knowledge of bookkeeping is useful and well worthwhile.

Typing is taken by most juniors and seniors. The ability to type is an almost essential skill in the modern business world.

The biology class makes a thorough investigation of plant and animal life. Mr. Hamblin takes the class on many hikes where they can get acquainted with nature first hand.

Mr. Branigan stimulates the class's art ability by having them draw out of door scenes.

# ALGEBRA

# LATIN

## Algebra

Under the able assistance of Mr. Gardner many of the freshman get their first lesson in Algebra. General math is also offered for the students who do not wish to take Algebra. Both courses greatly aid the freshman in their understanding of math.

## Latin

Mr. Sawyer helps, Luella Schrader, Nancy Broerman, Mary Lou Huneke, Alberta Seavers, Georgia Gauck, Clara Collins, Ronny Stock, Bill Walsman, "Ace" Moorman, and Pete Wintz with their Latin.

## Diversified Occupations

The D.O. program uses the actual facilities of the community, both business and industrial, to provide each student with organized and supervised training at a chosen occupation.

The above picture shows the D.O. students studying their related job material in the high school. Each student studies related material pertaining to his own job.

(Left to Right Top) Louie Dickman, Jerry Kellerman, Alfred Hartman, Bob Grieshop, Ralph Gillman, Charlie Doll, Melvin Paul, Jack Brockman, Mr. Gehring, John Laugle, Wayne Huneke, Allen Kirschner, Larry Rennekamp.

(Bottom) Jack Brockman gets a lesson in salesmanship, Wayne Huneke learns about auto mechanics, Jerry Kellerman cuts out wooden furniture parts, John Laugle studies a mold, and Louie Dickman helps bottle milk.

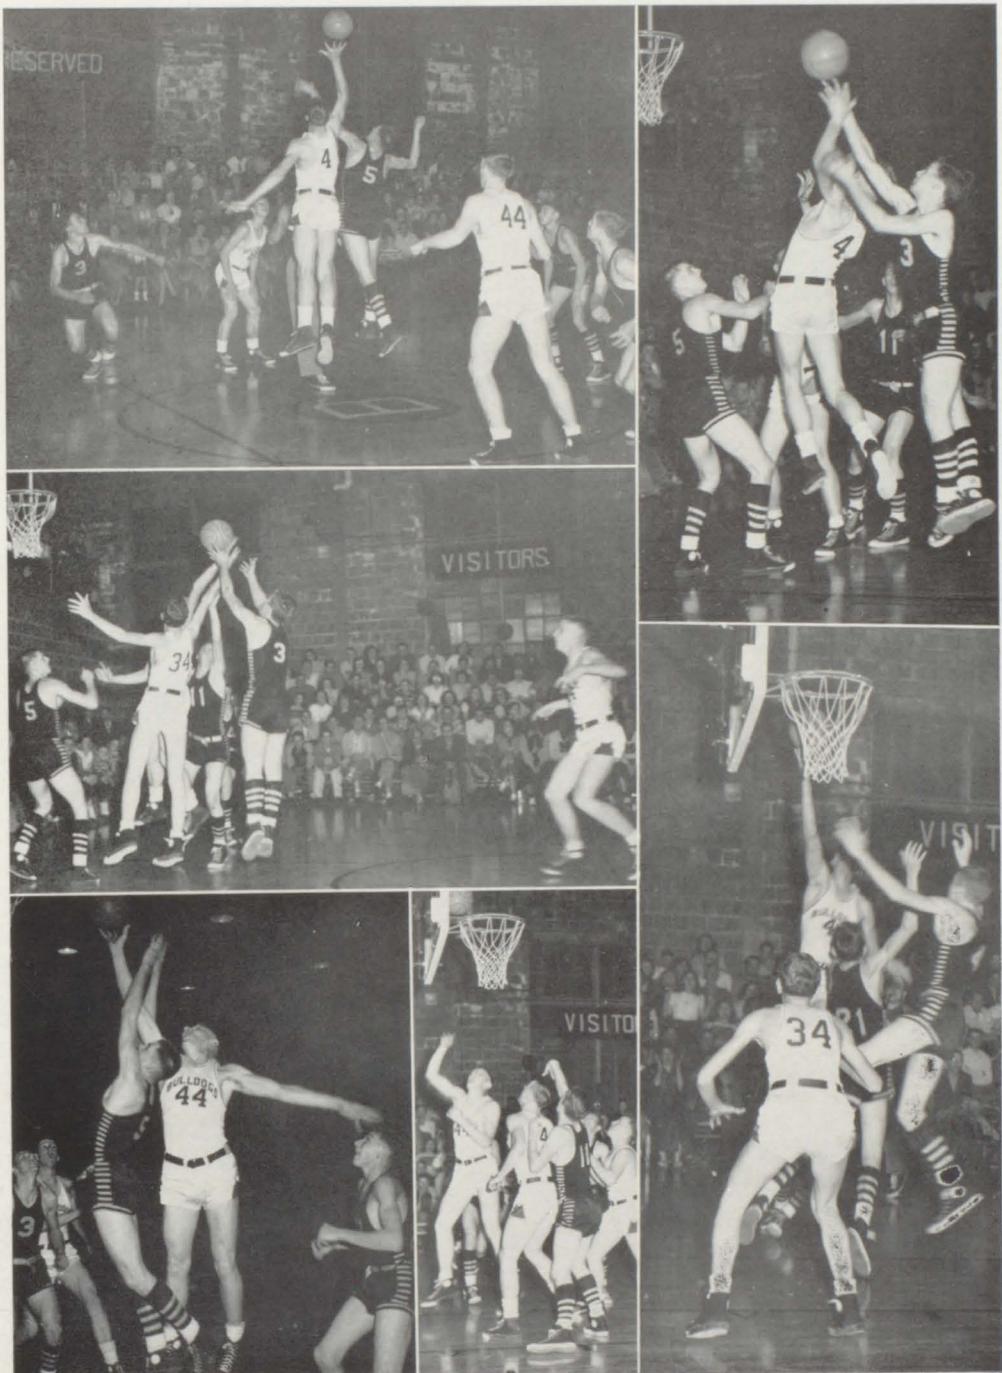

Psychology is being offered to the Senior Class for the first time this year. Personality, effects of environment, intelligence, learning techniques and mental health are some of the interesting topics studied in this course.

Driver's Ed., another new course, is of great interest to juniors and seniors who do not know how to drive. The students learn the proper way to drive a car, park, start on a hill, and other good driving techniques leading to the successful completion of license requirements.

## Our Semi-Finalists In Action

Were Sports As Well Organized And  
As Well Supervised 100 Years Ago???

"Doc" Hamblin proved again this year what a good coach he really is. "Doc" was coach of Batesville's first football team in 1949.

## BATESVILLE BULLDOGS

### 1951 Football Schedule

Batesville	18	Morton Memorial	18
Batesville	34	Lawrenceburg	14
Batesville	13	Cambridge City	0
Batesville	13	Aurora	12
Batesville	26	Greensburg	6
Batesville	27	Brookville	0
Batesville	7	North Vernon	12
Batesville	6	Cathedral	26

Our  
Mascot  
Bobby Hisrich

The job of Student Manager is more important than it sounds. Paul Becker and Bill Erne were always on the go and should be complimented on doing a very fine job.

## OUR TEAM IN ACTION

Under the head coaching of "Doc" Hamblin, and assistant Waldo Fields, Batesville has had another winning year in football. The Bulldogs gained recognition throughout the State for their gridiron skill. By developing a powerful offense, Batesville Bulldogs cut down experienced opposition, once again proving that the boys of B.H.S. possessed the necessary courage and determination.

These pictures show several of the Bulldogs in action on the field. Also pictured are (top right) coach Hamblin, (middle) Dan Kile, captain of the team, and Arnelda Scheele and her attendants (left to right) Virginia Suding, Bertha Dwenger, Jackie Decker, Margaret Richards, Sally Stapley, and Thelma Peters. The queen and her attendants, who were elected by the football team, reigned over the home coming game.

#### NICK STEWART

Nick Stewart, being a three year boy was on the starting 11 this season, and always out to win. Nick used his 190 lbs. to the best of his ability.

#### MILT BAAS

Big Milt, playing the center position on the squad, is one boy whose shoes will be hard to fill. He was noted for intercepting passes and hitting hard.

#### GEORGE FIELDS

George, another rookie, was willing to go in there and fight till the final gun sounded. He could hit the line at top speed.

#### METZ PAUL (Not pictured)

Metz, a scattering half back of the '52 squad was always scurrying the ends for five or ten yards.

#### LOUIE DICKMAN

"Soup", a rookie to the squad, used his height on the end of the line to perfection. Lou was rough both on offense and defense.

#### JERRY FASBINDER

Jerry was also a rookie to the squad. He was a fleet-footed back and was hard to stop. He could also pass the ball with accuracy.

#### BOB GRIESHOP

Bob's end position on the team will be very hard to fill. He was always giving the opposing back field a rough time.

#### LOUIE ENZINGER

Louie, a rookie to the "Big Blue", will always be remembered for his return of the opening kick off.

#### CAPTAIN DAN KILE

"Wilbur" was the acting captain and quarter-back of the '52 squad. The fans will always remember Danny for skillfully calling the plays.

#### LEON HUNEKE

Leon, not playing too much, deserves a lot of credit of always being ready to fight when being called upon.

#### WAYNE HUNEKE

"Hinko" used his 165 lbs. at guard with charm. Wayne was a light guard, but one of the best.

#### BOB NICKEL

Bob would never give up. He would fight to the finish.

#### JOHN LAUGLE

John, a great aid to the team because of weight, and winning spirit, is a tackle we'll miss.

#### RONNIE SHOOK

Shookie, not getting a chance to show his ability, will be noted for his Bulldog spirit.

### YELL LEADERS

Mary Simmermeyer, Barb Beihl, Alberta Seevers, and Marilyn Schone peped up the cheering section during the football games.

## WALDO

Walter Fields, a former Bulldog Star, came back to Batesville in 1950, after graduating from Butler University, and became our basketball coach. In his first year of his coaching career at B.H.S. and the second of his entire career, he coached the Bulldogs to their first Regional Championship since 1943 and into the final game of the Semi-Finals. He did it again this year. We won our Sectional. We won our Regional. And we went to the Semi-Finals.

## STUDENT MANAGERS

Paul Becker, the senior manager, has been with the team for several years. He is assisted by Bill Erne. These two boys had much to do with the success of the 1951 - 1952 Bulldogs.

## THE BULLDOGS OF '52

### Front Row

LEFT TO RIGHT: Charles Cook, Wallie Robinson, Jim Fritsch, Dan Kile, Louie Enzinger, "Ace" Moorman, Tony Hoegeman.

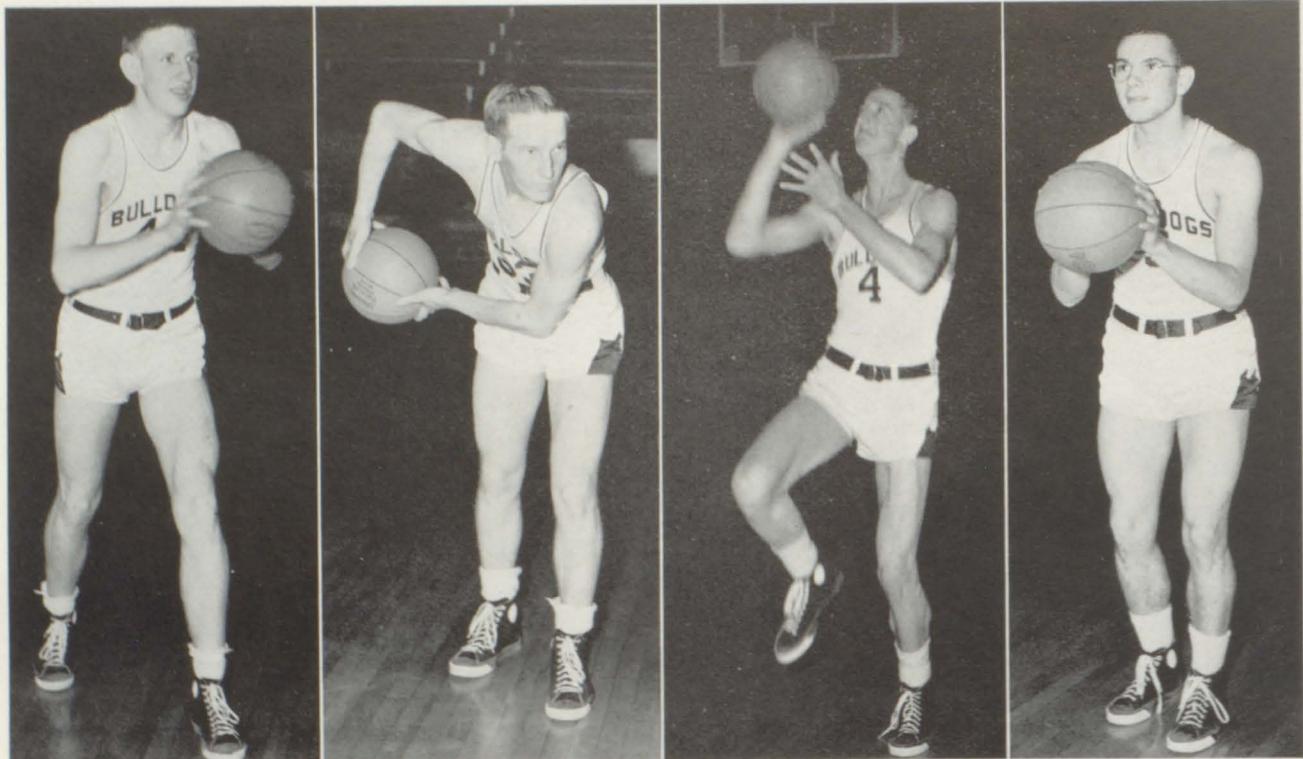

### Second Row

## CHEERLEADERS

LEFT TO RIGHT: Marilyn Schone, Bertie Seevers, Barb Beihl, Mary Simmermeyer.

## THE FIGHTING BLUE of '52

### SENIOR PLAYERS

#### BAAS

Milt was another second-year man. With his 6' 4" frame, Milt had control over the back board, and his shoes will be hard to fill in the coming season.

#### ENZINGER

Louie, a rookie to the squad, showed great basketball skill during the past season. Louie could always be counted on for his set shot.

#### DICKMAN

Lou, playing his second year of varsity ball, was the team's high scorer with an average of 20 points per game. His offensive and defensive skill will be greatly missed in the coming season.

#### KILE

Dan played his second year of varsity ball. He was an excellent player on both defense and offense. He was a very good team man and could be depended upon to score when the "Big Blue" was under pressure.

BAND HISTORY

The present band was organized in 1937. Prior to this a small pep band and orchestra were maintained. Then the orchestra was disunited and emphasis was put on our band.

The band has grown from its original 28 members to the present membership of 54. The activities include playing for basketball and football games, pep parades, special occasions, such as Memorial Day parades, county fair, and various school occasions.

Each spring the band enters the music contest. The first contest was entered in 1947, earning a second in the district. Last year our band entered the District Contest and got a second. A number of plaques have been earned and are in the trophy case.

## SCIENCE CLUB

"Doc" Hamblin's science club is made up of the chemistry class. The club meets once a month on Friday during the chemistry period and discuss the various mysteries of nature.

## SPEECH CLUB

The speech club, under the direction of Mr. Boyer, is made up of all high school students interested in dramatics and speech improvement.

## GIRLS ATHLETIC ASS'N.

G.A.A., the oldest organization of the school, is directed by Miss Ogan. The club participates in sports of all types.

### Future Homemakers of America

Miss Davis teaches the girls cooking, sewing, and other things necessary in becoming a good homemaker. The girls strive to carry out their motto, "Towards New Horizons."

### Future Farmers of America

The rural students of this community get instructions on farming from Mr. Smith. They learn the finer points of farming and how to improve on methods used in the past.

## Library Assistants

Jeanette Niedenthal, Betty Houston, Roberta Green, and Evelyn Emsweller help Mr. Brokamp in the library. Their tasks include typing, filing, shelving books, and aiding students in their search for books.

## B.H.S. Broadcast Staff

The paper staff seem to be planning an issue of the B.H.S. Broadcast, the high school paper which was published at least every month during the school year.

Barb Beihl is the editor and John Wintz, assistant editor. Mr. Brokamp and Mr. Sawyer supervise the staff's work.

## Junior-Senior Prom

**May 19, 1951**

All the Juniors, Seniors, and faculty enjoyed life under the sea for a night. Brightly colored fish hung from the wavy ceiling and along the wall. The waitresses wore blue shorts, white blouses, and sailor hats, and served the food through the port holes of an old sunken ship, which was on one side of the memorial gym. The orchestra was separated from the rest of the floor by two large whales. Donna Cook's throne was a large shell. Miss Cook, who was the prom queen, is shown in the top left-hand picture on her throne. Her attendants were Katy Giltz and Nettie Fields. The bottom left-hand picture is Donna Cook and her date, Tom Burst. The top right-hand picture is of one of our entertainers. The bottom right-hand picture is of the waitresses.

The sophomore biology class left Batesville on Friday, May 11, 1951, at 6 A. M. When the buses reached Chicago that afternoon, the class was taken to the Hall of Science where we were taken on a tour through a coal mine.

After our visit to the Hall of Science we went to the YMCA where we were planning to stay while in Chicago. Friday night some of us went to the baseball game between the Chicago White Sox and the Cleveland Indians.

Saturday morning we went to the Shedd Aquarium, the Planetarium, and the Fields Museum. At 3 o'clock Saturday afternoon the group went uptown to shop in Marshall Field's Department Store. We went back to the YMCA to eat our supper, then to the movies. After returning from the movies, some took a walk along the shore of Lake Michigan.

Sunday morning at 11:30 we left the YMCA and went to Municipal Airport. After looking over the airport we started our long bus trip home.

Everyone had a wonderful time. It's a proven fact that our understanding trip chaperons had a lot to do with our good time. Thanks to "Doc" Hamblin and Mr. and Mrs. Don Smith.

Verl and Charlie are still at their tasks of keeping B.H.S. running smoothly.

Grandmother's cooking was never better than this. Our cafeteria cooks—Mrs. McGuire, Mrs. Boehmer and Mrs. Gonder.

## FRESHMEN INITIATION

It is always a big day for the seniors when the freshmen are initiated. This year the boys wore their mother's dresses and the girls wore their father's pants and a skirt around their shoulders. Large signs saying "I am Green" were attached to their backs. An onion and a bar of soap were also tied around their necks. The freshmen did everything from rolling peanuts with their noses to eating pies with their hands tied behind their backs.

It isn't necessary to look back 100 years to find evidence of progress. Rapid change can be noticed in a few years time. The above pictures show how we looked 1, 2, 5, or 6 years ago. That isn't long compared to 100 years, but is long enough to denote progress we ourselves have made.
